Saint John of God's Story

Having given up active Christian belief while a soldier, John was 40 before the depth of his sinfulness began to dawn on him. He decided to give the rest of his life to God's service, and headed at once for Africa where he hoped to free captive Christians and, possibly, be martyred.

He was soon advised that his desire for martyrdom was not spiritually well based, and returned to Spain and the relatively prosaic activity of a religious goods store. Yet he was still not settled. Moved initially by a sermon of Saint John of Avila, he one day engaged in a public beating of himself, begging mercy and wildly repenting for his past life.

Committed to a mental hospital for these actions, John was visited by Saint John, who advised him to be more actively involved in tending to the needs of

others rather than in enduring personal hardships. John gained peace of heart, and shortly after left the hospital to begin work among the poor.

He established a house where he wisely tended to the needs of the sick poor, at first doing his own begging. But, excited by the saint's great work and inspired by his devotion, many people began to back him up with money and provisions. Among them were the archbishop and marquis of Tarifa.

Behind John's outward acts of total concern and love for Christ's sick poor was a deep interior prayer life which was reflected in his spirit of humility. These qualities attracted helpers who, 20 years after John's death, formed the Brothers Hospitallers, now a worldwide religious order.

John became ill after 10 years of service, but tried to disguise his ill health. He began to put the hospital's administrative work into order and appointed a leader for his helpers. He died under the care of a spiritual friend and admirer, Lady Ana Ossorio. Reflection

The utter humility of John of God, which led to a totally selfless dedication to others, is most impressive. Here is a man who realized his nothingness in the face of God. The Lord blessed him with the gifts of prudence, patience, courage, enthusiasm, and the ability to influence and inspire others. He saw that in his early life he had turned away from the Lord, and, moved to receive his mercy, John began his new commitment to love others in openness to God's love.
